

## **Neighbourhood Plan (NHP)**

The 30<sup>th</sup> August meeting considered a set of questions drafted after reference to government guidance, other local plans and suggestions made at the earlier meeting. 14 people were involved and the results are being collated and the questions will be refined.

The village wide consultation planned for 10<sup>th</sup> September in the village hall was also discussed. We realised that we would be unable to produce and distribute the invitation flyers in sufficient time to give adequate notice and so we are looking to move this date by a few weeks.

Simon Barnes - Chairman 31<sup>st</sup> August 2018
